Academic Background

B.E. in Computer Science & Engineering
SKN Sinhgad Institute of Technology & Science, Lonavala, Pune   2021-2025

Experience

Namrup Fashion Pvt. Ltd. (360customizer)   April 2025 - Present
Associate Software Engineer - Intern

- Developed and maintained the company's SAAS selling website using **Zoho Sites, Zoho Bookings, CSS, and JavaScript**, improving customer engagement by clearly showcasing product features and solving user pain points.

- Enhanced the e-commerce platform where users can explore over 5000 products and create custom catalogs using **React with TypeScript, Tailwind CSS, and Framer Motion**, delivering a smooth and interactive user experience.

- Collaborated with cross-functional teams to integrate frontend components with backend APIs, ensuring real-time updates and efficient state management.

- Participated actively in Agile ceremonies including sprint planning and code reviews, contributing to continuous improvement and high-quality deliverables.

Projects

Frontend Development (Freelance) - Hideaway Resort   Nov - Dec 2024
Tech Stack: ReactJS, React Router, Bootstrap

- Designed and implemented a **dynamic resort booking system** with real-time availability updates.

- Optimized routing using **React Router** for a seamless multi-page user experience.

- Reduced server response time by **35%** by implementing lazy loading and efficient state management.

Live Demo: Hideaway Resort   —   **GitHub:** Repository

Frontend Development (Freelance) - Neura – AI Web Template   Oct 2024
Tech Stack: HTML, CSS, Bootstrap, AOS, JavaScript

- Designed an **AI-focused landing page** showcasing machine learning applications.

- Implemented **interactive animations** using AOS to enhance UX and visual storytelling.

- Optimized asset loading and reduced page size by **20%**, improving performance.

Live Demo: Neura AI   —   **GitHub:** Repository

Soft Skills

- Strong **analytical and problem-solving** capabilities.

- Proficient in **Agile development** and collaborative coding.

- Effective **communication and leadership** in team-based projects.
